Head (lid)

Being careful not to get any glue in the threads of the lid ring, generously glue the lid ring to the inside of the scarf, under the head. Glue the metal lid disc inside the lid ring and to the bottom of the head. Assemble the hat by sc together along the sides of the rows, leaving the "cuff" on the outside. Sl st around the bottom of the hat, in each of the unworked loops on row 21. Arrange the hat on the head, then sew to the head under the "cuff" with color B yarn and yarn needle. Add the face of your choice (it's GOTTA' be better than mine! LOL) Fill jar with cocoa mix. Screw on lid.
