Finishing:

Back of angel for finishing details

Thread the yarn needle with the ribbon. Weave the ribbon in and out of rows 15, 16, and 17, cutting ribbon at the end of each row, then overlapping ends and gluing ends together under the skirt. With the back of the angel facing you, insert the

ribbon-threaded needle down into the last inside chain-3 loop of the right wing, then up through the last inside ch-3 loop of the left wing. Pull the ribbon tight to draw the bottom of the wings together, then tie in a small bow. Trim ribbon. Tie a bow at the base of the front of the angel's head. Trim ribbon. Thread the needle with the fishing line. Insert as for the ribbon that ties the wings together in the loops two up from the wing bow. This will put the angel in a "flying" position when hung. Tie an overhand knot Push the angel's head back, push her chest out, and arrange the ruffles on the skirt.

Happy Crocheting!
