Strap
Ch 110.

Row 1: Dc in the 3rd ch from hook, trc in each remaining ch across; turn.

Row 2: Sl st in each st across, sl st in each of the 2 ch's at the tip of the strap, working in loop of foundation ch, sl st in each st across. Fasten off. Weave in ends. (The sl st's help keep the strap from stretching.)

Finishing
With yarn and yarn needle, sew 1" ring to the top of the rose, as indicated in the back photo, for the hanger. With needle and thread, sew the button to the end of the strap on the 2nd and 3rd from the last trc's. Insert strap between the rings on the rose. Button closed, using the space between the 1st and 2nd trc's as a buttonhole.
