### *Finishing*

Sew black beads to powder puff for eyes. Embroider mouth with embroidery floss. Using artist's brush, apply a little powdered blush to cheeks; blend well. Push loop stitches of hair forward around face. Sew gathering area of part of the hat to the hair stitches only on the back ring, leaving the bottom of the back ring open. Arrange ruffles on hat. With needle and thread, sew the button to the end of the strap on the 2nd and 3rd from the last trc's. Insert strap between the rings. Button closed, using the space between the 1st and 2nd trc's as a buttonhole. Sew 1" ring to the back of the hat for hanging.
