## FIVE TEXTURED DISHCLOTHS

.....  
All of these dishcloths are crocheted with a size H hook in worsted weight cotton yarn and are approximately 8 1/2" square. If you'd like a larger dishcloth, use a larger hook.  
.....

Directions are included for converting the All-Crochet Towel & Topper pattern to match each of the dishcloths.  
.....

To make any of these dishcloths into a matching potholder, crochet two of the dishcloths with a size F or G hook, then sc together with wrong sides facing, adding a (ch 15, sl st in the first ch) to any corner for a hanging loop.  
.....

I add a row of sl sts at the end of each dishcloth to keep the dishcloth from stretching when wet. You can eliminate this, if desired. Also, these dishcloths are not edged...you can edge with a round of sc, if you prefer.
