### Materials:

- ✓ About 3 ounces of worsted weight acrylic yarn
- ✓ Crochet hook size H or size needed for gauge
- ✓ Three buttons or three 2' lengths of ribbon, depending on the closure you choose
- ✓ Needle & thread to match yarn

### Gauge:

5 sc = about 1 1/2 "

5 rows of sc = about 1 1/2 "

**Finished size** will depend on the number of "pockets" to hold hooks or needles.

Directions are for case that will hold 10" hooks or needles, and will be worked on 50 stitches. Changes for case that will hold 14" hooks or needles is in parenthesis, and will be worked on 62 stitches.

.....

### Case

Ch 51. (63)

**Row 1:** Sc in the 2nd ch from hook and in each remaining ch across; ch 1, turn.

**Row 2:** (Mark this as the right side.) Sc in each of the first 15 (21) sc, dc in the back loops only of the next 20 sc, sc in each of the last 15 (21) sc; ch 1, turn.

**Row 3:** Sc in each of the first 15 (21) sc, dc in the unworked loops only of the next 20 sc on row 1, sc in each of the last 15 (21) sc; ch 1, turn.

**Row 4:** Sc in each of the first 15 (21) sc, sc through both thicknesses of the next 20 dc to form a “pocket”, sc in each of the last 15 (21) sc; ch 1, turn.

**Row 5:** Sc in each sc across; ch 1, turn.

**Rows 6-8:** Repeat rows 2-4.

**Additional “pockets”:** Repeat rows 5-8 until you have the desired number of hook “pockets” across your case. (I made mine with 8 hook pockets, so I repeated rows 5-8 six times.) Fasten off after you have the desired number of “pockets”.

### *Edging*

With the right side facing you, fold the six stitches on either end toward the center and pin in place.

**Round 1:** With wrong side facing you, attach yarn with a sc through both thicknesses of any corner, sc in the same st, sc along the side of the roll through both thicknesses of each of

the next 5 sts, sc in each of the next 26 (38) sts, sc through both thicknesses of the next 5 sts, 3 sc through both thicknesses of the next st; working along the end of the roll, sc around the post of the sc along each row (along the fold); continuing along the next side, 3 sc through both thicknesses of the next st, sc through both thicknesses of each of the next 5 sts, sc in each of the next 26 (38) sts, sc through both thicknesses of the next 5 sts, 3 sc through both thicknesses of the next st; working along the end of the roll, sc around the post of the sc along each row (along the fold); sc through both thicknesses of the same st as the first sc; join with a sl st to the first sc.

**Work round 2 depending on the closure you choose.**

**Round 2 for button closure:** Sl st in each sc around until you sl into the center sc of the corner diagonally opposite of the first sl st; sl st in each of the next 3 sc, ch 5 for button loop, sl st in each of the next 15 (21) sc, ch 5 for button loop; sl st in each of the next 15 (21) sc, ch 5 for button loop; continue working a sl st in each sc around; join with a sl st to the first sl st. Fasten off. Weave in ends.

**Round 2 for ribbon closure:** Sl st in each sc around; join with a sl st to the first sl st. Fasten off. Weave in ends.

### *Finishing*

*Button closure*

Place hooks or needles in the “pockets”. Roll the case, beginning on the opposite side from the button loops. Mark the placement for the buttons. Sew buttons in place. Push buttons through loops to close the roll.

### *Ribbon closure*

Place hooks or needles in the “pockets”. Roll the case to close. Pin the center of each of the three pieces of ribbon (evenly spaced along the length of the roll) to the outside of the roll, opposite the exposed open end of the roll. Sew each ribbon in place where pinned. Wrap both ends of each ribbon to the front of the case and tie in a bow.

Happy Crocheting!
