

Flower Power Yo-Yo Afghan

FLOWER POWER YO-YO AFGHAN

Designed by Priscilla Hewitt

A small section of the afghan is pictured

This is a little different from the usual yo-yo afghan. The scrap yarn "flowers" are joined individually in a coordinating color first, then the "flowers" are joined with a main color yo-yo.

Materials:

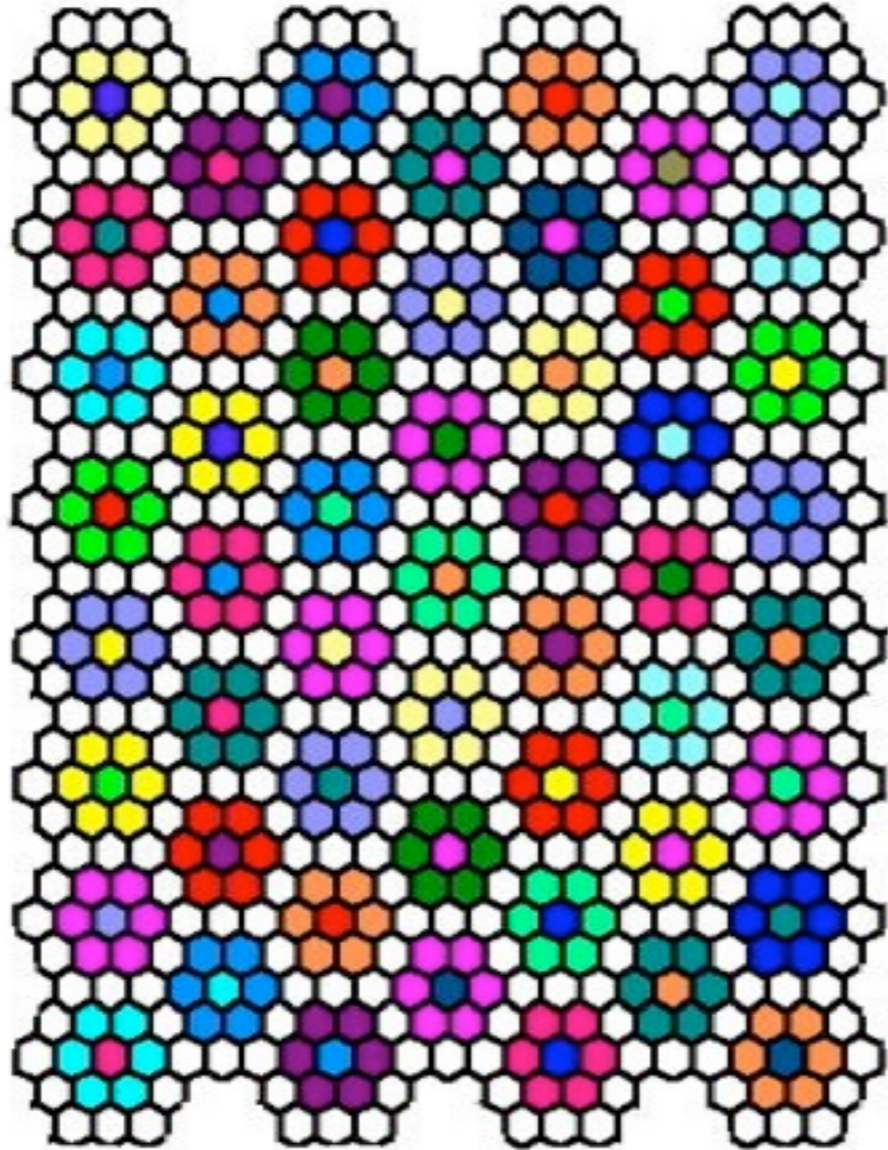

- Yarn: Worsted weight acrylic
- Joining yarn: About 32-40 ounces black, white or off white worsted weight acrylic
- Hook: Size I

Finished size: As graphed, about 50" wide and 72" long, but is easily adjustable by adjusting number of "flower" rows.

Number of yo-yo's used: 811 (371 assorted colors + 440 main color, worked as afghan is joined.)

Joining method: Make 53 hexagon "flowers" using the net stitch joining method and a coordinating color yarn (not the main color) for joining. Then join the flowers as in the graph with yo-yo's crocheted in the main color, then edged and joined with the main color using the net stitch method.

Edging: Using size J hook and main color, work 2 sc in each unjoined ch-3 sp around the outside of the afghan.

Happy Crocheting!
